ISRAEL MILITARY BUILDUP ON SYRIAN, LEBANESE BORDERS

AUG 31. The air space over the Galilee Panhandle was closed to civilian flights on Saturday until September 8, in addition to the prohibition of non-military air traffic over the Golan. During the day, IDF tanks and self-propelled artillery **convoys rolled north along the highways of Galilee towards the Syrian and Lebanese borders.** They are supplementing the military forces the IDF built up in the last week.

The situation is deteriorating rapidly.

HIZBALLAH ON ALERT, EVACUATES BASES, COMMAND POSTS

Hizballah spokesman says: “Since Israel struck us deep inside Lebanon (the August 24 drone attack on Beirut’s Dahya district), **we will retaliate deep inside Israel.**” Lebanese sources report that the Lebanese Shi’ite group has placed its forces on high alert and **begun evacuating bases and command centres.** A Kuwaiti newspaper quotes its sources as predicting that Hizballah will carry out its threat of revenge against Israel **in the coming 72 hours.**

The group’s TV channel Al Manar claimed that the explosive Israeli drones alleged to have attacked Dahya were launched from **naval vessels cruising off the Lebanese coast.**

LEBANESE ARMY FIRES AT 2 ISRAELI DRONES OVER BORDER

Voice of Lebanon radio said the army fired at the “**two Phantom drones**” after they “**violated Lebanon’s airspace at low altitude over an army border post in Adaisseh.**” Lebanese gunfire forced the drones to return to Israel, the radio said.

MEDIA WILL SACRIFICE PROSPERITY TO SEE TRUMP LOSE

AUG 20. President Trump is 100% correct. The mainstream news media are **the enemy of the people.** History will not be kind to these detestable thugs in business suits. Fox Business news says the media are talking up the recession threat: They want a weak economy as we approach the 2020 election. **They think a recession would stop Trump’s re-election.**

The media is doing the work of the left. They are the PR people for the anti-Trump brigade and the reason is obvious: They think a recession would stop Trump’s re-election. They so detest our president that they would sacrifice prosperity to get him out of the Oval Office.

I’m not surprised. The single achievement of the Trump presidency is the performance of the economy. Rapid growth. Historic low unemployment. No inflation. Cheap gas. A rising standard of living for all. It’s a wonderful thing! But the left can’t afford to recognize this success because it’s the president’s pathway to a second term. And they are so overcome with Trump hatred, they actually want the good times to end. All for political advantage.

The president said yesterday that if he does lose in 2020 “you’ll see this economy go down the tubes.” I think he’s right. That’s one recession I will forecast! -- Gellar Report

ABBAS : “MILLIONS OF FIGHTERS WILL ENTER JERUSALEM”

AUG 24. Palestinian Authority President Mahmoud Abbas threatens that “**millions of fighters**” will swarm Jerusalem and topple the Jewish state’s capital city, warning that “no matter how many houses and how many settlements they declare that they plan to build here and there — **they shall all be destroyed.**”

Abbas says that while: “Millions of fighters” will take over Jerusalem, “Not a single penny of payments to terrorists will be stopped!” and, “Terror funding will not stop” no matter what!

It is hard not to feel sorry for Mahmoud ! Why? Because he’s right and he has no idea why he is right, or how and when it will all take place.

Turning to Luke 21:9-10, 20-22, we see Abbas' threat fully realised and come to life.

“When you hear of wars and uprisings - *disturbances and revolutions*, do not be terrified; for these things must happen first, but the end *will not come* immediately.’ Then He said to them, ‘Nation will rise against nation, and kingdom against kingdom. ... When you see Jerusalem surrounded by armies, then recognise that its destruction is near. Then let those who are in Judea flee to the mountains, let those in the city get out, and let those in the country not enter the city, for these are the days of vengeance when everything that has been written will be fulfilled.”

Jerusalem will indeed be set upon by an invading army during the time of Jacob's trouble.

Mahmoud Abbas, in an Arabic language speech at Jalazone Refugee Camp, near Ramallah, that was heavy with threats of destruction, doubled down on the Palestinian government’s policy of using public money to pay convicted terrorists and their families, telling his audience, “**We will not accept their designation of our martyrs as terrorists. Our martyrs are the martyrs of the homeland.**”

Abbas went on to rally those in attendance to swarm into the city of Jerusalem and **destroy all Jewish people living there.**

His remarks are the clearest sign to date that the leader has no interest in playing a role in a revamped peace process spearheaded by President Donald Trump's White House.

“*To Jerusalem we march, martyrs by the millions!*” he was quoted as saying, according to a translation by the *Middle East Media Research Institute*.

“**We shall enter Jerusalem—millions of fighters! We shall enter it! All of us, the entire Palestinian people, the entire Arab nation, the Islamic nation, and the Christian nation,**” Abbas said. “**They shall all enter Jerusalem.**”

Homes and cities built by Jews and other ethnic groups living in Israel “**will all go to the garbage bin of history**,” Abbas said.

“We shall remain here, and nobody can remove us from our homeland,” the leader continued. “If they want, they themselves can leave. Those who are foreign to this land have no right to it. So we say to them; ‘Every stone you have used to build on our land, and every house you have built on our land, is *bound to be destroyed*’.”

But here is what **Yahweh the Almighty** has to say about the outcome of their folly:

“For the day of the LORD is near upon all the nations: as you have done, it shall be done unto you: your reward shall return upon your own head. For as you have drunk upon my holy mountain, so shall all the nations drink continually, yea, they shall drink, and they shall swallow down, and they shall be as though they had never been. And the house of Jacob shall be **a fire**, and the house of Joseph **a flame**, and **the house of Esau for stubble**, and they shall kindle them, and devour them; and **there shall not be any remaining of the house of Esau.**” (Obadiah 15- 18)

A CRITICAL THRESHOLD HAS JUST BEEN CROSSED, AND THINGS WILL NEVER BE THE SAME AGAIN

AUG 24. Just when things seemed to be settling down a little bit, America’s conflict with China has suddenly escalated to a dangerous new phase.

This is not simply just a “*trade war*” any longer, and our relationship with China will never be the same again.

President Trump just referred to Chinese President Xi Jinping as our “**enemy**”, and this is something that **the Chinese are going to take extremely seriously**.
