

CHINESE MILITARY FIRES “AIRCRAFT-CARRIER KILLER” MISSILE INTO SOUTH CHINA SEA IN “WARNING TO THE UNITED STATES”.

28 AUG 2020. China launched two missiles, including an “**aircraft-carrier killer**”, into the South China Sea on Wednesday morning, a source close to the Chinese military said, sending a **clear warning to the United States**.

The move came one day after China said a US U-2 spy plane entered a no-fly zone without permission during a Chinese live-fire naval drill in the Bohai Sea off its north coast.

One of the missiles, a DF-26B, was launched from the north-western province of Qinghai, while the other, a DF-21D, lifted off from Zhejiang province in the east. Both were fired into an area between Hainan province and the Paracel Islands.

The landing areas were within a zone that Hainan maritime safety authorities said on Friday, would be off limits because of military exercises from Monday to Saturday.

The DF-26 dual-capable missile is a type of weapon **banned** by the *Intermediate-Range Nuclear Forces Treaty* signed by the US and Soviet Union towards the end of the Cold War.

When the US withdrew from the treaty last year, it cited China’s deployment of such weapons as justification.

The DF-26 has a range of 4,000km (2,485 miles) and can be used in nuclear or conventional strikes against ground **and naval targets**.

The war drums between the U.S. and China are beating louder every day now.

HAMAS FIRES SIX ROCKETS AT ISRAEL, IDF STRIKES BACK

29 AUG 2020. IDF hits Hamas terror targets after volley of rockets jolts Israelis out of bed before dawn.

IDF planes struck **Hamas** targets in the Gaza Strip on Friday morning after Israelis in the border area were shocked out of their beds by an **early morning rocket attack**.

Residents of several communities were jarred awake by alarms around 5 a.m. after terrorists in Gaza fired six rockets at Israel.

Residents of the towns and villages near Gaza have only 15 seconds to reach shelter before the rockets explode, but reports said this time the rockets appeared to strike only open fields and caused no injuries or damage.

Despite warnings from Israel that it would not tolerate continued rocket and incendiary balloon attacks from Hamas-controlled Gaza, scores of fires broke out this week in the areas along the Gaza border from hundreds of balloons launched by terrorists over the past few days.

IS AN ISRAEL-ARAB PEACE SUMMIT IN THE WORKS?

The *Israel Hayom* wrote that there is the possibility of a summit taking place in one of the Persian Gulf sheikdoms in the next few weeks according to an Arab diplomat.

The U.S. is trying to secure the participation of Bahrain, Oman, Morocco, Sudan and Chad, to stand **alongside Israel and the UAE**. PM Netanyahu is confident "*more countries will follow the UAE*."

The Arabs would want the peace summit to be about **the land first**, and then about possible normalisations. But it doesn't look as though the Palestinians will participate, **so it likely won't happen**.

EFFIGY OF PRESIDENT TRUMP BEHEADED

In an outrageous, sickening act, Democratic Rioters staged outside the White House on the night of 27th Aug., and placed an effigy of President Donald Trump under a mock guillotine and "beheaded him" while calling for his assassination.

His enemies are going to try to kill President Trump; all the signs are there, and last night at the RNC during Trump's Republican National Convention speech they placed an effigy (a dummy make up) of the president on a guillotine and beheaded it.

No, you will not see this story on any of the corrupt Liberal media outlets as they stand with the rioters who call for the president's execution. Such is the climate in America in 2020. In the book of Revelation, Antichrist will execute all those who oppose him, with the same thing the rioters called for last night, **beheading**. Indeed we are watching the spirit of Antichrist rising rapidly across America.

As we have told you, the forces behind groups like *ANTIFA* and *BLACK LIVES MATTER* are demonic, there can be no question about that now, but it is only part of the larger picture we are seeing. The spirit of Antichrist, as he prepares to come on the scene, is sweeping around the globe, preparing a lost, Jesus-rejecting world to receive the Devil, and receive him they will.

As I watched the videos of the angry mobs executing the effigy of President Trump, I could not help but feel they have already accepted Antichrist. They are going to kill the president, or at the very least make a really good attempt to. Do pray for President Trump's safety and salvation. - Reported by Geoffrey Grider of "*NOW THE END BEGINS*."

THE IGNORED GENOCIDE OF CHRISTIANS IN NIGERIA

by Raymond Ibrahim • August 16, 2020 at 5:00 am

Earlier this year, *Boko Haram* released a video of a masked Muslim child holding a pistol behind a bound and kneeling Christian hostage, a 22-year-old biology student who was earlier abducted while traveling to his university. After chanting in Arabic and launching into an anti-Christian diatribe, the Muslim child shot the Christian several times in the back of the head.

Aside from some of the most grisly incidents, the so-called mainstream media does not report on the bulk of the persecution. Could journalists be worried that a politically incorrect pattern might emerge, in which attacks might appear ideologically driven, as opposed to "just crimes"?

The reason why formerly simple Fulani herdsmen have, since 2015, managed to kill nearly twice as many Christians as the "professional" terrorists of Boko Haram, is, to quote Nigerian bishop Matthew Ishaya Audu, "because President Buhari is also of the Fulani ethnic group."

“Since the government and its apologists are claiming the killings have no religious undertones, why are the terrorists and herdsmen targeting the predominantly Christian communities and Christian leaders?” — *The Christian Association of Nigeria, International Centre for Investigative Reporting, January 21, 2020.*

“What Obama, John Kerry and Hilary Clinton did to Nigeria by funding and supporting current president Muhammadu Buhari, in the 2015 presidential election and helping Boko Haram in 2014/2015 was sheer wickedness and the blood of all those killed by the Buhari administration, his Fulani herdsmen, and Boko Haram over the last 5 years are on their hands.” — *Femi Fani-Kayode, Nigeria's former Minister of Culture and Tourism, Facebook, February 12, 2020.*

The mass slaughter of Christians in Nigeria, which some international observers have classified as genocide, is reaching unprecedented levels. An attack on the town of Auno, Nigeria on February 10, 2020, followed an attack the previous day in which jihadists murdered at least 30 people and abducted women and children.

The mass slaughter of Christians in Nigeria, which some international observers have classified as genocide, is reaching **unprecedented levels**.

According to an August 4 report, at least 171 Christians were slaughtered by Muslim Fulani herdsmen in the space roughly three weeks:

“And these are only those we know of. In reality, the toll is likely to be far higher. Many thousands are also being displaced by the violence from homes, and such livelihoods as they had left after Covid lockdown brought economic havoc. ... Our news desk has been swamped by such stories for many months, yet this relentless and bloody toll of Christian lives is disturbingly absent from wider mainstream media.”

HURRICANE LAURA STRENGTHENING AND IS A CATEGORY 4; CATASTROPHIC STRIKE AHEAD NEAR LOUISIANA AND TEXAS BORDER

AUG 26. Hurricane Laura is an extremely dangerous Category 4 storm and continues to strengthen as it heads for a destructive landfall near the Texas and Louisiana border Wednesday night into early Thursday morning. A catastrophic storm surge and damaging winds will batter the region and a threat of flooding rain and strong winds will extend well inland.

AUG 28. Laura, was possibly the strongest hurricane ever to strike the US, moved North and East after pounding the Gulf Coast. Laura has now been downgraded to a tropical storm after slamming Louisiana with 150 mph winds this morning and leaving hurricane damage for hundreds of miles.

Laura made landfall just before 1am on Thursday as a Category 4 storm packing winds.

Besides threatening life, the storm was barrelling toward the heart of the US oil industry, forcing oil rigs and refineries to shut down production.

Laura's winds tore through Lake Charles, Louisiana all night, ripping roofs from buildings and shattering glass windows. The city of 78,000 was seeing sustained winds of 137km/h and gusts up to 206km/h, in the hour after landfall, the NHC said.

LOCUST SWARMS INVADE SOUTHERN RUSSIA, CAUSE COLOSSAL DAMAGE

Locust swarms have invaded Russia's southern regions causing colossal damage to the local agriculture.

All these reports are a foretaste of what is to come in the Great Tribulation. And they call us to pray for **souls to be saved, now!**

Y'SHUA, OUR MASTER, SAID:

“When you see these things happening, recognise that the kingdom of God is near. I tell you the truth, this generation will not pass away until all things take place. The heaven and the earth - *the universe* - will pass away, but My words will by no means pass away.

“Be on guard that your hearts may not be weighed down with dissipation, excessiveness, drunkenness and the worries of life, and that day come on you unawares - suddenly like a trap; for it will come upon all those who dwell on the face of the earth.

“But keep on the alert at all times, praying that you may be accounted worthy to escape all these things that are about to take place, and to stand before the Son of Man.” (Luke 21:31-36)
