

ELECTORAL COLLEGE CONFIRMS JOE AS PRESIDENT- ELECT

December 15. 2020.

The electoral college has voted in all 50 states to formally make Joe Biden the president-elect of the United States.

But take heart, God used Donald Trump to declare Jerusalem as the capital of Israel, and bring in the beginning of the end times peace treaty that will lead to a rebuilt Jewish Temple and the Daniel 9:27 peace covenant before it's all over. Yep, that's what the Abraham Accords really are.

President Trump is still challenging the results of the election in several states, Donald Trump will *not* serve another 4 years in the White House. But take heart, God used Donald Trump to **declare Jerusalem as the capital of Israel**, and bring in the beginning of the end times peace treaty that will lead to a **rebuilt Jewish Temple** and the Daniel 9:27 peace covenant before it's all over. Yep, that's what the **Abraham Accords** really are.

"Look at the nations! Observe! Be astonished and wonder! Because *I am* doing something in your days, that you would not believe even though you were told." (Habakkuk 1:5)

So what happens now? Loads of stuff, lots and lots of end times events are right now loaded and waiting to be fired across the prophecy timeline. When they come, it will be in a seemingly endless battery and barrage of things that will be truly challenging to keep up with, and on many levels already is. God has now voted, so let's get on with the program, shall we?

"Look! the nations *are* as a drop of a bucket, and are counted as the small dust of the balance: behold, he takes up the isles as a very little thing." **Isaiah 40:15**

Want some good, sound and biblical advice? Jesus is coming back to get us as He promised, so quit fooling around with politics and 'your rights', and get busy doing something for the Lord. **America is going to fall in stunning fashion, her pillars are being pulled down at this very moment, and this once-great nation will soon join all the others as the 'drop in a bucket' that the prophets say will happen.**

Joe Biden and Kamala Harris will preside over a house of cards as the **strong wind of judgement** from the Lord is beginning to blow.

An abbreviated article from a Geoffrey Grider, Florida

"Then will they see the Son of Man coming in a cloud with power and great glory. But when these things begin to take place, straighten *yourselves* and lift up your heads, because **your redemption is drawing near.**" (Luke 21:27-28)
