

LEBANON

“O God! Your enemies are roaring; and those who hate You have raised their heads. They craftily plot against Your people ... They have said, ‘Come, and let us destroy them as a nation, that the name of Israel may be remembered no more.’ For they have conspired together with one mind; they make a pact against You.” (Psalm 83:1-5)

HIZB'ALLAH BACK TO FULL STRENGTH

Israel Defence Forces officials maintain that Hizb'allah has regained its full military strength following last year's war in Lebanon. That feat has been accomplished in just seven months.

HIZB'ALLAH READYING FOR WAR

Feb 26, 07. Hizb'allah is reportedly establishing a new stronghold from which to rebuild its strength and launch future aggression against Israel. In order to bypass the inconvenience posed by the presence of international “peacekeepers” in southern Lebanon, Hizb'allah is setting up this new base **just north of the Litani River**.

Observers say the hills and valleys are being aggressively guarded by armed Hizb'allah forces.

Additionally, a Hizb'allah-linked businessman is said to be buying up Druze and Christian land south of the Litani in what is feared to be an effort to create a Shi'ite-populated zone from which the group can freely operate. - Ynetnews

HIZB'ALLAH ORDERS BOMBINGS IN ISRAEL

Iranian-sponsored Hizb'allah has ordered its Palestinian agents to launch mass-casualty attacks in Israel.

Israeli security sources said “Hizb'allah has increased funding and orders since the end of the [Israeli-Lebanese] war,” a source said. “It wants the action to move from Lebanon to Tel Aviv and Jerusalem.”

The Lebanese Shia group has been financing more than 20 plots to conduct suicide and other bombings inside the Jewish state. The sources said Hizb'allah has relayed funds to **Fatah** operatives loyal to PA Chief Mahmoud Abbas as well as **Hamas** and **Islamic Jihad**.

The sources said their information was based on the capture and interrogation of senior Fatah and Jihad operatives. They said Hizb'allah-aligned cells were most active in the West Bank city of Nablus.

LEBANESE ARMY IN DEAL WITH HIZB'ALLAH

The Lebanese army has made a deal with Hizb'allah, dividing up patrols in southern Lebanon, according to an officer of the UN Interim Forces (UNIFIL).

Hajj Ali, a Hizb'allah terrorist leader who lives in the village of Bint Jbil near the Israeli border, declared, **“There will be another war in the summer. It is the beginning of the end for Israel; we are preparing.”**

Hizb'allah still dominates the south; its security men are policing the Shi'ite villages; and its fighters are patrolling the border. Shi'ite Muslims, aligned with Hizb'allah, have also re-armed.

UNIFIL has refused to carry out the UN Security Council ceasefire resolution clause that it disarms Hizb'allah.
